§ 25.159 Time of tax determination and payment; offsets.

(a) *Time and payment.* The tax on beer will be determined at the time of its removal for consumption or sale, and will be paid by return as provided in this part.

(b) *Offsets.* During any business day, the quantity of beer returned to the same brewery from which removed is to be taken as an offset against or deducted from the total quantity of beer removed for consumption or sale from that brewery on the day that the beer is returned.

(c) *Offsets not allowed.* An offset or deduction for returned beer will not be allowed if:

(1) The brewer was indemnified by insurance or otherwise in respect of the tax; or

(2) The brewer does not issue credit to the customer for the tax on the returned beer within 30 days of the return of the beer. If the tax is not timely credited after the offset or deduction

is taken, the brewer shall make an increasing adjustment on the next tax return.

(Sec. 201, Pub. L. 85-859, 72 Stat. 1334, as amended, 1335, as amended (26 U.S.C. 5054, 5056, 5061))

§ 25.160 Tax adjustment for brewers who produce more than 2,000,000 barrels of beer.

Each brewer who has paid tax on beer by return, Form 5000.24, at the reduced rate of tax during a calendar year, but whose production (or the production of a controlled group of brewers of which the brewer is a member) exceeds 2,000,000 barrels of beer in that calendar year, is no longer eligible to pay tax on beer at the reduced rate of tax for any beer removed that calendar year for consumption or sale. The brewer shall make a tax adjustment for the payment of additional tax no later than the return period in which production (or the production of a controlled group of brewers of which the brewer is a member) exceeds 2,000,000 barrels of beer. The adjustment will be determined by multiplying the difference between the higher and lower rates of tax applicable to beer by the number of barrels removed by the brewer that year at the reduced rate of tax. The brewer shall make tax adjustments for all breweries where tax was paid at the lower rate that year, and shall include interest payable from the date on which tax was paid at the lower rate. In the case of a controlled group of brewers whose production exceeds 2,000,000 barrels of beer, all member brewers who paid tax at the lower rate shall make tax adjustments as determined in this section.

(b) *Payment of tax.* The brewer shall include for payment with the return the full amount of tax required to be determined (and which has not been prepaid) on all beer removed for consumption or sale during the period covered by the return.

(c) *Return periods.* Except as provided in § 25.164a, return periods run from the brewer's business day beginning on the first day of each month through the brewer's business day beginning on the 15th day of that month, and from the brewer's business day beginning on the 16th day of the month through the brewer's business day beginning on the last day of the month.
